Adult & Community Education transforms the quality of life by providing adult education classes. We offer GED® Prep classes to help adult students prepare to earn their high school diploma, English classes for speakers of other languages, high school credit classes for high school students who need to make up a credit as well as high school credit classes for adult students who need a few credits to graduate. ACE is "A Great Start for a Better Future" and a stepping stone to post-secondary education, the workforce or military.
