

Family  
Resource  
Center

Proudly managed by **Children's Home Society of Florida**

## Do you know the true community impact of a Family Resource Center?

Every dollar invested provides **\$3.65** in savings to the child welfare system.

**63%** reduction of cases of child abuse  
& a **50%** reduction of out-of-home placements.

**Improvements** in children's educational success!

**Gains** in economic self sufficiency, health, social support, family functioning and resiliency.

## What is a Family Resource Center?

**A place of support for families throughout our Leon County community! Through our Family Resource Center, we'll bring together mental health services and supports in one convenient, easily accessible place - in the heart of the community.**

## Our goals:

- To support families in Leon County to be strong, healthy and successful
- To contribute to building a strong and healthy community
- To reduce the likelihood of child abuse and neglect by building the research-based Strengthening Families Protective Factors
- To increase kindergarten readiness for children in Leon County
