

Mathematics PLAYDATE

Hosted by SCMS Math Club and Math Genius

When: October 5th, 2024 (9:00 a.m. to 1:00 p.m.)

Where: Swift Creek Middle School

Who? Open to advanced, passionate math students in 3rd, 4th and 5th grade.

Cost: \$10 per student (pay at the event, snack provided)

No Sponsors Required! **No Sponsors Required!**

How to register: E-mail Mr. Jeffries at jeffriesp@leonschools.net

***Registration deadline is October 3rd.*

Information needed in the registration e-mail includes Name, Grade, School, and Parent contact information.

Topics will include: Factorials, Cubes, Squares, Prime Numbers, Triangle numbers, Pascals Triangle, and more.

Activities will include: A 40-minute test, Test results and review, small group teaching by question type, Quizdoms (a math game on a big screen)

This event is designed to teach elementary students a variety of mathematical topics seen in competition math. We will also provide question type information, math resources and collaboration between both current and new sponsors.

If you are a new sponsor, this can help you get started with purpose!

Improve Your Math Skills & Have Fun!
