---

We had a great week celebrating this fun time of year. Thank you to all the parents who asked how they could help with our fall party and to Ms. Brandi, Ms. Stephanie and Ms. Elham for all of their contributions to our party.

In small groups, we worked on number identification, direction following and fine motor skills by playing the game Roll and Draw a Monster. We sorted and counted spiders by color and completed a Halloween pattern activity. We also made patterns with autumn candy corn mix, sorted them and colored a graph showing how much we had of each candy. Finally, we made pumpkin name puzzles.

In large group, we carved another smaller pumpkin and pulled out all the seeds. We compared the amount of seeds in the big pumpkin and the small pumpkin and determined they were about the same. We roasted the pumpkin seeds and enjoyed eating them. We saved a few seeds and each student planted them in a cup. We can't wait to see if they sprout.

During choice time we made a Five Little Pumpkin art activity, and painted our pumpkins and drew faces on the them. We read several fun books, How to Catch a Monster, Five Little Monkeys Trick or Treat, The Biggest Pumpkin Ever and There Was an Old Lady Who Swallowed a Bat. As a special treat we watched three books from The Monster Under My Bed series read by actors in the Screen Actors Guild on the site Storyline Online: <https://storylineonline.net/>

I have enjoyed meeting with each of you during our parent/teacher conferences. All of your children are so fortunate to have such caring, loving and supportive parents. It truly is a joy to teach your children and get to know their wonderful families.

Next week we will begin our tree study. Ms. Ann, our volunteer that comes on Tuesdays and Thursdays has created a spectacular tree on our bulletin board to help us kickoff the study.
