

Pre-K Post

November 22, 2024

It was been another amazing week in the pre-k world. We are so grateful to all of you for attending our Thanksgiving feast. The children did an amazing job of singing and we all loved spending this special time with each of you. We are grateful to Ms. Noy and her team in the cafeteria for preparing all of the food for the feast, to August's mom, Caitlin for helping us set up the room and to Ayan's mom, Elham for all of the beautiful and delicious desserts and lemonade.

This week in small group, we sorted and classified leaves and made letters with sticks and wooden lines and curves. We completed rhyming riddles, rhyming puzzles and a rhyming paper. We made patterns with leaves and completed a leaf pattern worksheet.

We read several great books, The Grouchy Ladybug, Who Lives in Trees, Henny Penny, The Leaf Thief, one of my very favorite books, The Monkeys Came Back and There Was an Old Lady Who Swallowed Some Leaves. Every student has a copy of the Old Lady book in their folders today. It is our second book club book. I hope you enjoy reading it with your children.

Our HRES character trait this month was compassion. We see a lot of compassion every day in our classroom. You all are raising very kind children. In Rebound and Recovery, we explored the feeling of happy.

During choice time, we made family trees, finished our Chicka Chicka Boom Boom name trees, completed two My Big Worlds, one about fire safety and one about Thanksgiving and completed a Thanksgiving pattern activity.

Menu:

M: chicken sandwich, tater tots, fruit and milk

T: cheese nachos, salad, fruit and milk

W: yogurt, cheese, salad, fruit and milk

TH: corn dog, sweet potato fries, fruit and milk
