

# Pre-K Post

December 6, 2024

---

This week has been all about apples. We tasted Red Delicious, Golden Delicious and Granny Smith apples. Next, we completed an interactive chart representing each student's favorite apple. Red Delicious was the winner by one. We drew apples on apple trees, matching the number of apples with the number on the tree. In our My Big World booklet, we learned so much about apples including, apples float like pumpkins, they have a star shape inside if cut in half, horses and other animals eat apples, apples with brown spots are rotten and apples and have a stem, seeds, a core and the flesh is the best part to eat. We used an apple corer/peeler to prepare apples for applesauce. They loved using apple corer and peeler. We made the applesauce today, but only a few were brave enough to try it. It was really yummy.

In small groups, we worked on letters and sorted pictures with the same initial sound. We practiced listening for and identifying rhyming words as we listened to poems about apples. We read several great books, a few of them were: Henny Penny, Who Lives in Trees? Trees Count and Chick Chicka Boom Boom. We have also been enjoying making holiday crafts all week.

Our character trait this month is cooperation.

## Menu:

M: cheeseburger, smile fries, fruit and milk

T: cheesy bread and marinara, fruit and milk

W: hot dog, carrots, fruit and mil

TH: fried chicken, collard greens, fruit and milk

F: waffles, sausage, tater tots, fruit and milk
