

Pre-K Post

February 7, 2025

This was our final week of our Reduce, Reuse, Recycle study. It's been wonderful watching our little ones grasp and understand the importance of caring for our earth. We made music from recycled items. We celebrated Groundhog Day with a craft and a special snack. We celebrated the 100th day of school by counting to 100 by 10's as we sang and danced. We also made crowns and colored pictures.

Next week, we will have a week filled with educational and fun Valentine activities. Thank you to everyone for providing our supplies.

Spring Pictures are scheduled for Wednesday, February 19th. Order forms are in folders today. Individual pictures must be pre-ordered. We will also have a class group picture taken. I will be out that day for a reading training at FSU. I'm sad to miss the picture day.

We have a field trip scheduled for Thursday, April 17th from 10:00 to 1:00 to Redemptive Love Farms. This is the day before our spring holiday. The cost is \$12 per person. Parents are invited to join us and will pay by cash or card upon arrival at the farm. We will collect the student fees in late March or early April. We are working on using grant money to pay for the bus.

In UFLI phonics, we introduced the letters Pp and Ff. In small groups, we made shapes with straws, measured and compared items from our recycling bin using cubes and c-clips, completed a My Big World activity, stamped letters and numbers in play-dough and counted and compared bottle caps.

We read several great books, Don't Lose It, Reuse It; The Adventures of Harry and Gary; Peter's Chair; One Plastic Bag; Isatou Ceesay and the Recycling Women of The Gambia; Amazing Recycled Projects You Can Create; Ada Once Again and Don't Throw That Away.

Menu:

M: chicken sandwich, tater tots, fruit and milk

T: cheese nachos, salad, fruit and milk

W: yogurt, cheese, corn, fruit and milk

TH: corndog, green beans, fruit and milk

F: heart shaped nuggets, mac and cheese, broccoli, fruit and milk
