

The Pre-K Post

August 16, 2024

We are off to a fantastic start in pre-k. We are so thrilled to have your precious little ones with us. This week we have been learning the routine, how to use the interest areas (centers), what's expected of them in pre-k and so much more. We took a walk around our side of the campus and visited the cafeteria. We have learned how to walk to and from the playground, and what's expected on the playground. Everyone is learning fast and doing great.

Our core curriculum is The Creative Curriculum for Preschool. In Creative Curriculum, we use studies throughout the year to engage students in active learning. Our first study is **Beginning the Year**. Each week we have a focus question. This week's question was: What names do we need to know at school? We have been working hard to learn our teacher's names, our friend's names and names of places on campus.

Our days have been filled with songs, rhymes, finger plays, lots of great books, playing, dress up, learning, building, exercise, trying new things, making new friends and so much more.

Thank you for all the school supplies, snacks and for all that you did to help prepare your child for school. It's going to be a great year!

Menu:

M: chicken sandwich, tater tots

T: nachos, black beans

W: yogurt, cheese stick, corn

TH: corn dog, green beans

F: chicken nuggets, mac and cheese, broccoli

**all meals come with a fruit and milk

Mrs. Owen

Please install the REMIND app and follow the directions on the screenshot below. I will occasionally send announcements through Remind. It is also an easy and great way to communicate with me. E-mail is great too: norvellc@leonschools.net. If you need an immediate response, please call the front office at (850) 487-4733.

Here is the link to my class website if you would like to read more about our curriculum and classroom:
