

# **Fifth Grade Field Trips and Fees**

**Fifth Grade attends two out-of-town field trips. This year, we will be collecting all the trip and grade level fees in two installment payments. The cost will be divided equally in half.**

**Field Trip 1:** Agrirama is the Georgia State Museum of Agriculture and Living History Village, where students will experience the Living History Workshop.

**Homeroom classes will be going on different days** to accommodate the activity facilities. Chaperones are extremely limited for this trip. Please email your child's homeroom teacher if you are interested in chaperoning. A drawing by each homeroom teacher will be held and the selected chaperones will be notified. Please review the schedule below so you will know when your child's homeroom class is attending. More detailed information with an itinerary and what to bring/wear will come home at the beginning of October.

**Hutto, Johnson, & Jones- Tuesday, October 8<sup>th</sup>**

**Ray, Cottingham, & Drye- Wednesday, October 9<sup>th</sup>**

**Field Trip 2:** Sea World is an interactive educational experience for students to participate in. We will go on **Thursday, March 5, 2020**. More detailed information with an itinerary and what to bring/wear will come home mid April. Chaperone numbers are NOT limited on this trip. However, the fees for Sea World chaperones will only be accepted during the second installment of the field trip & fee collection.
