Not a lot of changes, still costs coming in from 5th grade advancement and final AR Rally, very good year, checks written to Art, Music, Landscape, PE, encourage the special areas to use their budgeted money.

**Principal's Report –** Mrs. Martin

Spirit Sprint money- Golf Cart was purchased, bottle filling water fountains in process, laptops were purchased because current desktops will soon be obsolete and district provided new desktops. Laptops were given first to ESE and printers were also purchased. PTO would like to help contribute to things that are needed. Testing is finished. Mrs. Mariscal is resigning after this school year to spend time with her family.

**Committee Reports**

**Members At Large Report –** Robin Gaczewski and Cheron Davis

School supplies are going ok, not moving as quickly as last year, but advertising is ramping up. Cheron needs help organizing the boxes that will arrive the week before school starts. Fielder (possible Golden Sponsor) wants to sponsor boxes for kids who need them. We get \$5 from every box that sells. They want to put stickers on each box, if they are golden sponsors.
