We fulfilled Art department needs, new microphone set for Music and for cafeteria from presidents discretionary. Guidance needed school supplies so we provided those. Welcome back gifts and lunch for teachers and staff are reflected in the budget. Little Hawks was a little over budget but that was because pizza was provided for everyone. Media center has bought a new book system. Been able to say yes to anything the school has asked for. Family boosters brought in \$8-10k, but expenses have to be deducted, so look out for the total son.
