Principal's Report – Mrs. Martin- Today's emergency went without a hitch, everyone cooperated. Just started PM3 Testing with 1st and 2nd grade, It is testing season. Hired another custodian. Kindergarten orientation went very well this morning. 4th and 5th playground is not the right size, has asked to make a committee to come up with new ideas to better suit the students. PTO could help fundraise some funds for it. There was an Eagle Scout project on the K-1 playground and there is a nice little musical area there now.

There is going to be a talent show this year, kids will need to audition. It will be on Friday, May 16. The event will be free, but selling concessions to try to make some money for the school.
