# ClassLink Firefox PC Extension Installation

The ClassLink Extension is used to access some Single Sign-on applications.

1. To download the extension you will be prompted when you click on an application that requires the extension.

1b. If you are not prompted for the installation, go to the Firefox Add-ons website https://addons.mozilla.org/en-US/firefox/ and search for 'ClassLink' in the top right search box. Click on the 'ClassLink OneClick Extension' Link. Then click 'Install'.

2. Click 'Install Extension'.

3. Click the Blue 'Allow' button. (if needed)

4. Click 'Add' in the pop up box on the top left. Another pop up will let you know the extension is installed.
