Switching Profiles *(HS/Lively)* or Adding Lively Apps for Dual Enrolled Students

Switching Profiles –

Top switch profiles between HS dashboard and Lively dashboard:

1. Click on Profile dropdown arrow on top right
2. Select Profile menu (In Yellow)
3. Select appropriate profile
   a. Students – Elem/Mid/High/AE
   b. Students – Adult Ed
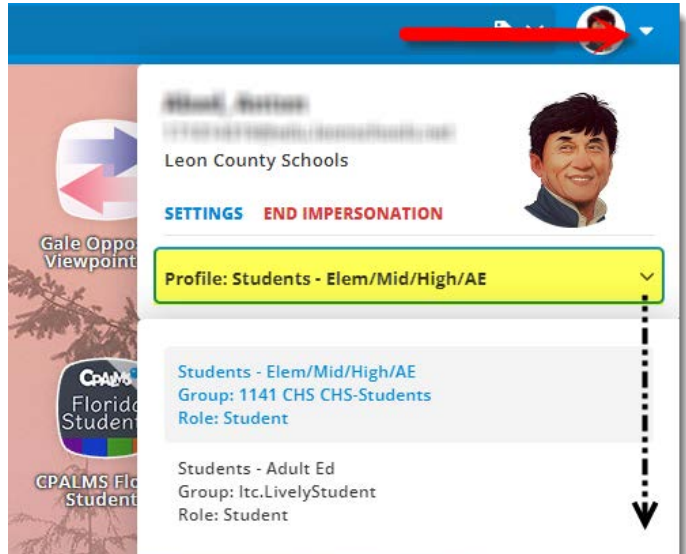

Adding individual Apps to Dashboard –

To add apps to your dashboard, select the '+' on the top of the dashboard

1. In the App Library, click the **Student Apps** tab
2. Type in **Lively** and press enter
3. Click **Add** below the Canvas – Lively and Focus - Lively Apps
