

Agenda for LCS Sustainability Committee—June 6, 2023

Superintendent's Conference Room @3:00pm

1. Review of Minutes
2. Presentation by Maintenance staff on Energy Usage and monitoring

Questions:

- how much energy usage was there for 2021-22 and how much did it cost the District?
- Where are we (cost wise/energy wise) now vs last school year?
- What were the energy incentives that Departments and Schools had before they were suspended?
- Did it make a difference?

3. LCS Sustainability Update

4. Review—Sustainability Committee Accomplishments and Recommendations, June 2023

5. Group discussion/input

- Next Steps
- Goals for next meeting
- New Board members?
- Next meeting dates: July ?
