

Mrs. Majszak CLASS NEWS

A NOTE FROM THE TEACHER 9/11

Thank you for another great week of Digital Academy. Students are doing a great job keeping up with assignments and turning things in. We have built in two days next week during reading for students to catch up on any missing assignments if needed. Those that have already completed all their assignments can work on Lexia if all their assignments are finished. Students should bring questions that they may have to our small groups. I will allot time to answer any questions that they may have in each small group as well as the lesson for that day. Again, thank you for all of your help and support with Digital Academy.

LEARNING FOCUS

- Reading – Phonics: short i, Grammar: Singular and Plural Nouns, Comprehension Skill: Character Responses and Story Elements
- Math – Addition and Subtraction
- Science – Measuring Weight
- S.S. - Maps
